The Government of the Arkhangelsk region

REGULATION

March, 2, 2010
№ 54-пп

Arkhangelsk

On adoption of the Procedure of support of investment projects, which are being implemented or planned for implementation on the territory of the Arkhangelsk region

In accordance with the Federal Law № 39-ФЗ “On the investment activity in the Russian Federation, implemented in the form of capital investments” of February, 25, 1999 for the purposes of realization of investment policy on the territory of the Arkhangelsk region the Government of the Arkhangelsk region resolves to:

1. Approve the attached Procedure of support of investment projects, which are being implemented or planned for implementation on the territory of the Arkhangelsk region.

2. Recommend to the Heads of municipalities of the Arkhangelsk region to develop procedures of support of investment projects, which are being implemented or planned for implementation on the territory of each municipality of the Arkhangelsk region.

3. The Ministry of economic development of the Arkhangelsk region to render assistance to the Heads of municipalities of the Arkhangelsk region in the development of procedures of support of investment projects, which are being implemented or planned for implementation on the territory of each municipality of the Arkhangelsk region.
4. The Agency for press and mass media of the Arkhangelsk region in cooperation with the Ministry of economic development of the Arkhangelsk region to ensure an extensive media coverage of events connected with support of investment projects, which are being implemented or planned for implementation on the territory of the Arkhangelsk region.

5. Declare invalidated the resolution of the Administration of the Arkhangelsk region № 33-нa of August, 31, 2006 “On statement of procedure of management of list of investment bids of the Arkhangelsk region”.

6. Entrust the control of the present regulation to the Deputy Governor of the Arkhangelsk region for economy and finance A. Dementiev.

7. The present regulation shall enter into force from the date of its official publication.

Governor of the Arkhangelsk region

Iliya Mikhalevich
PROCEDURE
of support of investment projects,
which are being implemented or planned for implementation
on the territory of the Arkhangelsk region

I. General provisions

1. This Procedure shall set a term and establish sequence of operations of executive authority of the Arkhangelsk region for rendering information, consulting and organization of supply for investors and applicants for investments in Arkhangelsk region (hereinafter – supply of investment projects).

2. This Procedure is dedicated to establish a uniform procedure of cooperation between investors, applicants for investments and executive authority of the Arkhangelsk region, for overcoming administrative obstacles during implementation of investment projects on the territory of the Arkhangelsk region which based on the one-stop principle.

3. For the purposes of this Procedure an applicant for investments shall mean organization or individual entrepreneur who pretends to get investments for implementation of investment project at the expenses of budget and off-budget funds.

4. For the purposes of this Procedure an investment (industrial) site shall mean a plot of land, enterprise or another estate object with engineer infrastructure (including roads, water, electric and gas supply), dedicated for implementation of investment project.

5. Authorized executive body of the Arkhangelsk region, charged with the supply of investment project is the Ministry of economic development of the Arkhangelsk region (hereinafter – Ministry of economic development). In case
of need the Ministry of economic development cooperates with other executive bodies of the Arkhangelsk region.

7. Information about mode of operations of the Ministry of economic development is given by telephone for the consultations, and also displayed on the official site of the Government of the Arkhangelsk region (www.dvinaland.ru) and investment portal of the Arkhangelsk region (www.dvinainvest.ru).

8. The specialists of the Ministry of economic development cooperate directly with investors and applicants for investments. Address: office 455, 460; 49, Troitski st., Arkhangelsk, 163004.

II. Forms of supply of investment projects

9. The supply of investment projects includes:
1) consideration of written requests of investors and applicants for investments by the specialists of the Ministry of economic development in cooperation (in case of need) with the specialists of other executive bodies of the Arkhangelsk region;

2) verbal or written consultation for the investors or applicants for investments about obstacles concerning cooperation with federal bodies of state power, bodies of state power of the Arkhangelsk region and municipal bodies and organizations regarding implementation of investment projects on the territory of the Arkhangelsk region;

3) preparation of written requests on behalf of the Government of the Arkhangelsk region to the potential investors;

4) preparation of written requests on behalf of the Government of the Arkhangelsk region to the federal bodies of state power, municipal bodies and organization regarding implementation of investment projects on the territory of the Arkhangelsk region;

5) preparation of agreements for cooperation (protocol of intentions) between the Government of the Arkhangelsk region and the investor during the implementation of investment project;

6) organization of consideration of investment projects, which are being implemented or planned for implementation on the territory of the Arkhangelsk region at the Commission for investment policy and competition development of the Arkhangelsk region;

7) conclusion of agreements between the Government of the Arkhangelsk region and federal bodies of state power, municipal bodies of the Arkhangelsk region and organizations for reduction of terms of endorsement of documents concerning implementation of investment projects on the territory of the Arkhangelsk region;

8) inclusion of information about investment projects, which are being implemented or planned for implementation on the territory of the Arkhangelsk region to the special lists, placing the information on the investment portal of the Arkhangelsk region;
9) assistance for organization of presentations of investors and their investment projects;
10) other forms of supply in accordance with Legislation.

III. Control of the supply of investment projects

10. The control of the supply of investment projects which are being implemented or planned for implementation on the territory of the Arkhangelsk region is made by:

   the Minister of economic development of the Arkhangelsk region – investment projects with the total cost not more than 30 mln. roubles;
   the Deputy Governor of the Arkhangelsk region for economy and finance – investment projects with the total cost 30 – 100 mln. roubles;
   the Governor of the Arkhangelsk region – investment projects with the total cost more than 100 mln. roubles.

IV. Consideration of the written requests of investors and applicants for investment

11. A written request concerning investment projects which are being implemented or planned for implementation on the territory of the Arkhangelsk region and which is addressed to the Ministry of economic development from the investor or applicant for investment is the reason for supply of this investment project.

12. The written requests concerning investment projects which are being implemented or planned for implementation on the territory of the Arkhangelsk region and which were addressed to other executive bodies shall be addressed to the Ministry of economic development.
13. The specialist of the Ministry of economic development charged with the consideration of the written request of the investor or the applicant for investment carries out the following actions:

1) during 3 work days of the date of the registration of the request in the Ministry of economic development:
   - informs the investor or the applicant for investment about the receipt of the request;
   - gives his contacts;
   - requires contact information of the investor or the applicant for investment;
   - accurates the points of the request;
   - considers the request;
   - gives information about possible forms of the state supply of investment activity;
   - in case of need organizes a meeting with representative of the investor or the applicant for investment;

2) during 10 calendar days of the date of the registration of the request in the Ministry of economic development in case of need prepares written requests to the federal state bodies, other executive bodies, municipal bodies, organizations and controls preparation of the answer;

3) gives quarterly information about implementation of the investment project, performs analysis of effectiveness of forms of state supply, informs the leadership of the Ministry of economic development about the need to work out supplementary forms of state supply of investor.

V. Preparation of written requests on behalf of the Government of the Arkhangelsk region to potential investors

14. An applicant for investment has a right to send to the Ministry of economic development a written request about preparation of appeal of the Government of the Arkhangelsk region to the potential investor with the supply of
the investment project. This request is given with the documents in accordance with the enclosure № 1 to this Procedure.

15. The documents are examined by the specialists of the Ministry of economic development and in case of need by the specialists of other executive bodies of the Arkhangelsk region and special organizations.

16. On the basis of the analysis of the documents the Ministry of economic development prepares a decision about reasonability of the preparation of request on the behalf of the Government of the Arkhangelsk region to the potential investor.

In case of positive decision the specialists of the Ministry of economic development prepare a request on behalf of the Government of the Arkhangelsk region to the potential investor during 14 calendar days of the date of the positive adoption of the decision.

In case of negative decision an applicant for investment is given reasonable refusal in written form.

VI. Preparation of agreements of cooperation between the Government of the Arkhangelsk region and investor – legal entity

17. An agreement of cooperation is concluded between the Government of the Arkhangelsk region and the investor – legal entity.

The investor – legal entity is given an investment certificate in accordance with the enclosure № 6 to this Procedure in case of conclusion of the agreement of cooperation between the Government of the Arkhangelsk region and the investor – legal entity.

18. For the preparation of the project of the agreement of cooperation the specialists of the Ministry of economic development require from the investor – legal entity documents in accordance with the enclosure № 1 to this Procedure. The fact that the investor – legal entity doesn’t give these documents may be a reason of refusal to conclude an agreement of cooperation.
19. The specialists of the Ministry of economic development submit the project of the agreement of cooperation for endorsement with other interested executive bodies of the Arkhangelsk region, with the Administration of the Governor of the Arkhangelsk region and the Government of the Arkhangelsk region, are given approval of the Government of the Arkhangelsk region and organize further signature of agreement of cooperation.

VII. Conducting of the list of investment projects of the Arkhangelsk region

20. The list of investment projects of the Arkhangelsk region (hereinafter – list of investment projects) is a document containing information about investment projects which are being implemented or planned for implementation on the territory of the Arkhangelsk region.

The information of the list of investment projects is used by executive bodies of the Arkhangelsk region for planning state investment policy of the Arkhangelsk region and working out regional programs, predictive performances of the development of investment activity of the Arkhangelsk region.

21. For inclusion of the investment project to the list of investment projects an applicant for investment or investor (hereinafter – applicant) gives to the Ministry of economic development the following documents:

request in accordance with the enclosure № 2 to this Procedure;

information about the investment project in accordance with the enclosure № 3 to this Procedure.

22. The Ministry of economic development considers the documents which were given by the applicant during 2 calendar days and includes this investment project to the list of investment projects in accordance with the legislation.

23. The Ministry of economic development informs the applicant about inclusion of the investment project to the list of investment projects.
24. The specialist of the Ministry of economic development charged with the list of investment projects gives quarterly information about implementation of the investment project by the investor, performs analysis of effectiveness of forms of state supply, informs the leadership of the Ministry of economic development about the need to work out supplementary forms of state supply of investor.

25. In case of request of the investor or the applicant for investment the Ministry of economic development gives a notification about inclusion of the investment project to the list of investment projects in accordance with the enclosure № 4 to this Procedure.

26. The information about investment project is excluded from the list of investment projects in the following cases:

- implementation of the investment project and extinction of rendering measures of state supply;
- non-giving information about process of implementation of the investment project during 9 months;
- application of the investor or the applicant for investment.

VIII. Distribution of the information about investment projects which are being implemented or planned for implementation on the territory of the Arkhangelsk region and about investment sites

27. The information about investment projects which are being implemented or planned for implementation on the territory of the Arkhangelsk region and about investment sites is included to the special lists by the Ministry of economic development and displayed on the investment portal of the Arkhangelsk region (http://www.dvinainvest.ru/).

28. For inclusion of the information about investment sites of the Arkhangelsk region to the special list and of displayed this information on the investment portal of the Arkhangelsk region the information shall be given to the
Ministry of economic development by the investor or the applicant for investment in accordance with the enclosure № 5 to this Procedure.
LIST

of documents which are given by investors or applicants for investment

1. Brief information about the investor or the applicant for investment (date of creation, past and present activity, quantity and professional skills of personnel, valuation of market share, characteristics of general production funds, other information).

2. Copies of the constituent documents (charter and / or constituent agreement), notarized certificate of registration.

3. Copies of available licenses attested by the body which has given it or by notary.

4. Accounting reporting in accordance with the forms 1 – 5 (copies), attested by tax inspection for the locality where the enterprise is registered, and statistic reporting for the preceding year and for the last accounting period in accordance with the form 5-3, attested by the Committee of the state statistics.

5. Attested copies of decisions of the foregoing balances given by authorized audit companies.

6. Information of the Federal Tax inspection of the Russian Federation about presence (absence) of debts to the budget and off-budget funds (with breakdown of budget levels and types of taxes) for the last accounting date attested by the special bodies.

7. Business plan of the investment project including brief description of the project, calendar plan of implementation of the project, marketing plan, production plan, sale plan, financing plan and other documents.

8. List of implemented projects including their brief description.
DECLARATION
for inclusion of the investment project
to the list of investment projects

1. Organization – initiator of the investment project
